Honorable Judge, my name is Rogelio Belloso Aleman and my case number is: CR 19-0280 RS. I am writing this letter to inform the court that I want to request a different defense attorney on grounds that the current incumbents' sufficiency is lacking.

Throughout the case, I have been requesting discovery pertinent to my charges to Mr. George Boisseau without any results; I have run out of patient. Additionally, communication is strained due to my attorneys' busy agenda. I believe he's too busy to take care of my case, I have questions that remain unanswered.

My legal counsel is lacking the time to fulfill my request to develop discovery material and to set a proper line of communication; therefore, the need for another lawyer. My case has taken a pivotal turn that needs potential attention. Please consider my request.

Thank you for your time.
